**ORDER**

The matter is before the Court on defendant's Unopposed Second Motion to Extend Time to File Defendant's Post-Hearing Memorandum, currently due on 19 February 2013. The government has consented to this extension of time. Given the workload of defendant's counsel since the delivery of the transcript of the evidentiary hearing in this matter and the initial extension of time, as well as the volume of materials associated with this case when considering issues in light of the "evidence as a whole," the requested extension of time is reasonable and justified. Therefore, for good cause shown, the motion is ALLOWED. The defendant shall file his post-hearing memorandum on or before 21 March 2013.

This the 11<sup>\*</sup> day of February, 2013.
